SHARPENING
AND
RESTORATION
SERVICES

A Sharp Knife is
a Safe Knife!

*Sharpening all types of
cutlery, scissors, axes
and restoration
services.*

Sharpening

Sharpening can take years to master. Bring your knives to **OLDE TOWNE Cutlery** whether these are your personal knives from your home kitchen, to a restaurant or institution with a large assortment of cutlery. Our professional sharpening services will produce superior results and you will experience the maximum performance of your blades.

Restoration

Antique preservation is a priority when handling family heirlooms.

Our expert restoration knowledge can bring life back to pieces that have been damaged or neglected.

We take pride in our restoration skills and can repair handles, regrind blades, polish, etch, engrave, and even display knives that we restore.

Equipment

OLDE TOWNE Cutlery

Uses professional grade equipment for our sharpening and restoration services.

Our equipment can sharpen any steel type and knife geometry. Let the professionals at **OLDE TOWNE Cutlery** sharpen and restore your most useful knives and tools.
